Game 11

Agility Station

Grades: K-3

Number of Players: As many as you want!

Equipment: 4 cones

Where to Play: Outside or large area

Set-Up: Place two cones equal distant from a starting line and each cone.

Object of the Game: To race the other team.

How to Play:

- Have the students form two lines. The first student of each line gallops to the first cone. From the first cone the student skips to the second cone. From the second cone the student runs back to the starting line.
- Once the first student arrives at the first cone, the second student begins. When the second student arrives at the first cone the third student begins. When the second student arrives at the starting line the third student begins.
- Continue until the first person is up again. Vary the activity, jump to the first cone, slide to the second, etc.
