## Game 2

# Freeze Tag

**Grades:** 4-6

**Number of Players:** As many as you want!

**Where to Play:** Outside or large area.

**Set-Up:**

- One person is "it".
- The rest of the players have to move in a specified area and cannot go out of bounds.

**How to Play:**

- The player who is "it" chases the rest of the players and when someone is tagged that person is "frozen" and stands in place.
- The tagged people cannot move and must stand with their feet apart. The only way they can become unfrozen is if a person crawls under their legs and then they are able to run and unfreeze other players.
- The last person to be frozen is "it" for the next round and the game continues.

**Safety Tips:** Play on soft surface that won't harm kids when crawling through players legs.
