## Game 4

# Super Hands

**Grades:** 4-6

**Number of Players:** As many as you want!

**Equipment:** A tennis ball, small football, or any ball easy enough for kids to catch.

**Set-Up:** Have the kids form a circle facing each other.

**Object of the Game:**

- To try and catch the ball without dropping it or letting it hit the ground.

**How to Play:**

- Circle the kids and have them throw the ball to different kids around the circle. If a kid drops the ball when it was thrown to them they have to step out of the circle and the circle becomes smaller.
- When there is one person left they are the winner and the players can form a new circle and start a new game.

**Safety Tips:** Set rules of how hard the ball can be thrown and that it cannot be thrown at one's head or privates.
