## Game 3

# 500

**Grades:** 4-6

**Number of Players:** As many as you want!

**Equipment:** Either football or baseball.

**How to Play:**

1. One person is the thrower, and everyone else clusters about throwing distance away from the thrower.
2. The thrower tosses the ball in the air towards everyone else and announces a number between 50 and 500, like so: "I've got 200 up for grabs." If a kid catches it they get as many points as the thrower yelled. If someone drops it though they lose the same number of points
3. The person to get 500 points wins and becomes the thrower for the next game.
