## Game 4

# Follow In My Footsteps

**Grades:** 4-6

**Number of Players:** As many as you want!

**Equipment:** An area of wet sand that holds footprints and other impressions well

### **How to Play:**

1. the group of players close their eyes, the leader creates a zany path of prints—walking backward, jumping, doing a cartwheel, zigzagging, walking on her knees or hands, etc. (stick to simple movements with younger children; experiment with more challenging ones for older kids).
2. The players then take turns following the prints, fitting their feet (or hands, knees, and so on) as closely as possible into the impression, which means figuring out how each was made.
