## Game 7

# Red Light Green Light

**Grades:** 4-6

**Number of Players:** As many as you want!

**Set-Up:**

- One person is the 'stop light'.
- The rest of the players stand 15 feet away from the stop light in a straight line.

**How to Play:**

- The player who is the stop light faces away from the line of players and says "Green Light."
- At this point the players are allowed to move towards the stop light.
- At any point the stop light may turn around and say "Red Light."
- When this happens if any kids are caught moving they are out.
- Play resumes when the stop light turns back around and says "Green Light."
- The stop light wins if all the kids are out before anyone is able to reach him/her.
- Or...the first player to reach the stop light wins the game and earns the right to be 'stop light' for the next round.
