## Game 8

# OCTOPUS TAG

**Grades:** K-3

**Number of Players:** As many as you want!

**Where to Play:** Outside or in an open area

**How to Play:**

1. One person stands in the middle of the boundary area,
2. The rest of the kids line up at an end of the bounds
3. When the tagger says go they all run to the other side of the bounds .
4. Whoever the tagger tags then has to stay and help him, except that the additional people that are tagged have to sit down, and can only help "it" by using their arms.
5. This goes back and forth until you're down to the last person who then starts the next round.
