Game 4

Prisoner's Base

Number of Players: As many as you want!

Equipment: chalk (or other materials like floor tape to make the prison)

Set-Up: Draw a line to split the two teams & then draw a large square (prison) 20-30 feet away from the split line on both sides.

Object of the Game:

- To try and free their prisoner by sending a team member to the prison through the opposing team and bring them back without getting captured by a member of the opposing team.

How to Play:

- Divide the players in half.
- Pick one person from each team to be the prisoner of the other team.
- If the person attempting to make the rescue makes it to the prison without being caught they are safe and can bring their prisoner back to their side.
- If the person attempting to make the rescue gets caught they also become a prisoner.
- The team with the most prisoners in the end wins the game.
